Enhance the real estate listing and showing process

eKEY® Professional and Supra Home Tour

Get seamless access to real-time data and information, and connect with home buyers in new ways with an innovative app designed just for them.
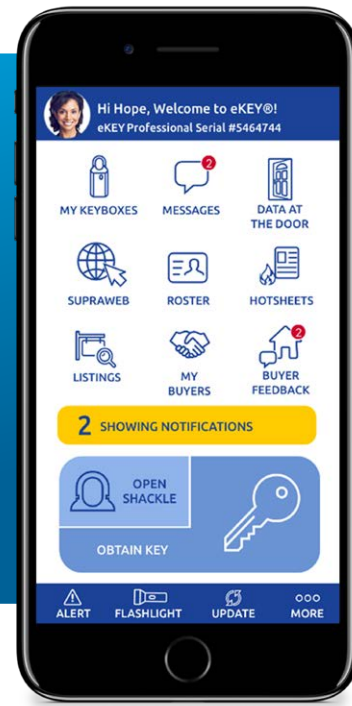

Insights, confidence, and peace of mind

- View and search MLS listings and agent rosters—even when offline—and easily connect with other agents.

- Create real-time property notes for buyer's agents to view when opening the keybox.

- Quickly and easily show properties using the phone's biometric feature—or even the Apple Watch®.

- Receive real-time alerts and notifications so you can elevate visibility at properties.

- View map and turn-by-turn directions to listings at the tap of a button.

Instant and at your service

- Easily access your list of buyers and invite them to engage with the Supra Home Tour app in an instant.

- Capture home buyer preferences automatically in real-time—enable them to easily share feedback with their friends and family.

- Help home buyers never forget a home— give them the power to rate homes and monitor favorites.

- Stay up to date with home buyer preferences to help close sales faster.

eKEY Basic

Get efficient access and powerful information in a new, modern look and feel—it's simple to manage keyboxes and access showing information wirelessly.

Quick access, real-time information

- Easily gain access to properties—set access hours to listings, change keybox shackle codes in an instant, and track keybox inventory.

- Get real-time data at the door, including a listing photo and current property notes.

- Quickly and easily show properties using the phone's biometric feature—or even the Apple Watch®.

- Receive real-time showing information when showings start and end.
XpressKEY®

Quickly open keyboxes and receive showing notifications in real time with an easy-to-use touchscreen key on a dedicated device.

Electronic entry, automatic updates

- Use the sleek, compact touchscreen key to access properties and attach keyboxes to properties.

- Receive real-time showing information once the keybox is opened and when a showing ends, and get automatic updates over your cellular network.

- Locate your misplaced XpressKEY using the built-in GPS.

Get easy key storage to drive accountability

iBox BT LE

Reliably store keys during the selling process, and ensure easy handling for you and selling agents.

Ultimate protection, easy access

- Provide efficient access for authorized keyholders that you can seamlessly customize.

- Easily hold gate cards and keys—store up to 5 keys, or 2 gate cards with 2 keys.

Count on convenient keybox management

SupraWEB

Manage key and keybox information in one place, and easily communicate with clients and agents to create better showing experiences.

Showing management made easy

- Oversee updates—upload photos, send feedback about market reaction, and schedule automated listing reports.

- Monitor the latest showing information—email customized reports and easily connect with other agents on the latest changes.
- Set up real-time alerts, plus beginning and ending showing notifications, so you know what is happening at your listings.

Supra resources and partnerships

Constantly learn and improve with additional training and resources, and get access to impactful partnerships.

Take showings to the next level with Supra

Rely on Supra to keep you at the cutting edge of what home buyers want. With Supra eKEY apps, you can make real, authentic connections with home buyers.

Supra is a leading global provider of key management solutions and released its first lockbox system in 1955. Today, Real Estate Associations and Multiple Listing Services across North America have implemented the Supra system, enabling real estate agents to efficiently market and show listed homes.

Supra offers innovative solutions for key management, helping you drive success and close sales faster by staying connected to what your home buyers want.

Lead. Connect. Sell.
